REDEPTEL 1115 to Bonn, repeated Paris 1948, London 5179, Berlin 280, Moscow 877; and DEPTEL to London 5197, repeated Bonn 1117, Berlin 282, Paris 1950.

We are disturbed over apparently continuing adverse reaction particularly in Berlin deriving from distorted early reports of Secretary's press conference of November 26. We hope that receipt full text press conference, plus efforts of Embassy and USBER Berlin based on first RETTEL and shift of interest to more recent and overriding Soviet notes and US Governmental reaction thereto, helping to quiet situation. If however in view of Guller and Ambassador (who we understand now in Berlin), further action still considered desirable to restore correct proportion, would urge that Ambassador in his discretion, attempt personally to impress on key Berlin officials and press representatives position of US as reflected RETTELS and other materials available to him.
